Agenda

7:30 a.m. until 12:00 p.m. CT - Presentations and Q&A

Tim Brusnahan, Vice President of Consulting and a Principal of Richard A. Brock & Associates – Mr. Brusnahan will share his insight from working with a leading trading advisor and commodity pool operator. He will discuss the current grain markets, provide an update on the corn and soybean harvest, and an outlook for the grain markets in 2021.

Meagan Nelson, Associate Director, Nielsen Fresh – Ms. Nelson has been at Nielsen Fresh, a leading industry expert in fresh food consulting, since 2010, and she will share her expertise on the unique challenges and opportunities fresh food brings to the retail industry.

Eric Scholer, President of Express Markets Analytics, a subsidiary of Agri Stats – Mr. Scholer, one of the foremost analysts in the poultry industry, has been with Express Markets for 14 years. He will provide fact-based forecasting and analysis of supply, demand, and price conditions across the poultry and egg industries.

David Portalatin – Vice President, Industry Advisor, NPD Group – Mr. Portalatin is with NPD Group, a leading U.S. market research company providing expert industry analysis and advisory services to identify market trends and help companies make smarter business decisions. He will provide insight on the post-COVID consumer and the future of food service.

Len Steiner, Principal, Steiner Consulting Group – Mr. Steiner is an international economic consultant who works with retailers, foodservice operators, meat processors and other food-related businesses. His practice is focused on developing strategies that optimize the client's market performance in terms of both customer satisfaction and financial profitability.

Joe Sanderson, Chairman and Chief Executive Officer, Sanderson Farms, Inc. – Mr. Sanderson, along with his senior management team, will provide a strategic overview of Sanderson Farms. In addition, the Company's sales and marketing executives will provide an update on current marketing initiatives, the export markets and the domestic retail grocery and food service markets.
